ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Chilamakur – Veerapunayanipalli Road is an important Major District Road connecting Renigunta – Rayalacheruvu Road (SH -18) at one end and another end with Chagalamarri – Vempalli Road (Corenet Road). The road passes through important agricultural potential villages and Mandal Head Quarters V.N. Palli with Industrial town Chailamakur. The total length of this road is 30.30 Kms. This road from Km 17/0 to 30/3 was last renewed during 1998-1999. Due to the large scale plying of commercial vehicles the above stretch was badly damaged and sunken at many places. The condition of the road is deteriorating day to day. The farmers from nearby villages are facing difficulty to transport their agricultural products to the nearest market centers. The road is passing through B.C. Soils which are not suitable for forming the shoulders. The stretch from Km 23/0 to 30/3 was badly damaged and sunken at many places and existing crust in this stretch having a Gravel Base 120mm, WBM 170mm (Total Crust 290mm). Traffic on this road comprises CVPD 359 and CBR of sub-grade soil is 7%. The total crust required for the above traffic intensity and CBR Value comes out to 425mm. Therefore the existing crust in the above stretch (23/0 to 30/3) is inadequate to cope up the present day traffic.

2. The Engineer-in-Chief (R&B) State Roads, Hyderabad has stated that the Kogatam to Payasampalli is an important road connecting Renigunta – Rayalacheruvu road (i.e. State Highway 31), Major District Road at other end i.e., Kamalapuram – Ayyavaripalli and passing through number of villages like Kogatam, Kanchannagaripalli, Yerragudipadu, Pandillapalli, Nallingayapalli, G. Appayapalli, Payasampalli, etc. The total length of this road is 17.00 Kms, Out of this the stretch from Km 6/8 to 15/650 was already improved to double lane. The existing single lane road from Km 0/0 to 6/8 is inadequate to cope up the present day traffic. The stretch from Km 0/0 to 4/0 was recently strengthened and the riding surface is in good condition. Due to plying of heavy commercial vehicles, the reach from Km.4/0 to 6/8 is badly damaged and sunken at many places. The existing carriageway width is not sufficient for negotiating heavy loaded vehicles of more than 40 Mts. The Stretch from Km 0/0 to 6/8 is passing through BC soils which are not suitable for forming shoulders and sub-grade. Hence it is proposed to convey the earth from outside road boundary with an extra lead of 9 Kms. Only widening of the road is proposed from Km 0/0 to 4/0 and Widening and Strengthening of the road is proposed from Km 4/0 to 6/8. In the village limits of Yerragudipadu, there exists C.C. Pavement for a length of 600 mts. The traffic intensity on this road is 599 CVPD and CBR of the sub-grade soil is 7%. The crust required for the above CVPD and CBR Value is 480mm.

3. He has further stated that Chinnacheppali – Veerapunayunipalli Road is an important Major District Road in YSR District. Sangameswara Temple, the abode of Lord Shiva a renowned pilgrim centre is located on this road in Kamalapuram Constituency. This road connects Yerraguntla – Vempalli Road (SH) at one end and another end with Kamalapuram – Ayyavaripalli Road an important Major District Road which was recently improved to double lane under CORENET. Pilgrims not only from

(P.T.O.,)

Y.S.R.District but also from other districts visit this place in large number through out the year. The rush of pilgrims will be heavy during Karthika masam and during Shivarathri. This road connects many important agricultural villages on enroute. The existing road is single lane. The total length of the road is 20.560 Kms and the existing surface is Black topped road. The existing road is inadequate to cope up the present traffic. Hence it needs to improve the above stretch into double lane. The stretch is passing through BC soils, these soils are not suitable embankment hence it is proposed to form the shoulders as well as sub grade with borrowed earth. The traffic intensity on this road is 526 CVPD and CBR of sub grade soils is 7%. The crust required for the above CBR and traffic intensity is 460mm.

4. The Engineer-in-Chief (R&B) Roads, Hyderabad, while submitting the proposal for the subject work has certified that stage-1 approval is not required as detailed investigation is completed land acquisition is not required for taking up the above subject works without interruption. He has, therefore, requested to accord Administrative Sanction for Rs.1020.00 Lakhs for the 3 works i.e., **1)** Improvements to road from Km.17/0 to 30/3 of Chilamkur – Veerapunayaunipalli Road for Rs.225.00 Lakhs, **2)** Improvements to road from Km.0/0 to 6/8 of Kogatam Payasampalli road for Rs.425.00 Lakhs, **3)** Widening and Strengthening of road from Veerapunayunipalli to Sangameswara Temple from Km.14/0 to 20/560 for Rs.370.00 Lakhs in Y.S.R. District” duly providing additional grant under Plan MDR for the year 2013-14.

5. Government after careful examination of the proposal of Engineer-in-Chief(R&B) State Roads, Hyderabad, hereby accord administrative sanction for Rs.10.20 Crores (Rupees Ten Crores and twenty Lakhs only) for the 3 works i.e., **1)** Improvements to road from Km.17/0 to 30/3 of Chilamkur – Veerapunayaunipalli Road for Rs.225.00 Lakhs, **2)** Improvements to road from Km.0/0 to 6/8 of Kogatam Payasampalli road for Rs.425.00 Lakhs, **3)** Widening and Strengthening of road from Veerapunayunipalli to Sangameswara Temple from Km.14/0 to 20/560 for Rs.370.00 Lakhs in Y.S.R. District” duly providing additional grant under Plan MDR.

6. The expenditure sanctioned in Para (5) above shall be debited to the Head of Account: 5054 – C.O.L on Roads & Bridges, 04 – District and Other Roads, MH – 800 – Other Expenditure, GH-11 – Normal State Plan, SH (07) – Major District Roads, 530 – Major Works, 531 – Other Expenditure.

7. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.

8. This order issues with the concurrence of Finance (Expr.PW) Dept vide their U.O.No.31768/1304/Expr/Pw-II/13, dated;18-12-2013.

(BY ORDER AND IN THE NAME OF GOVERNOR OF ANDHRA PRADESH)
